ITEM DETAILS

- ✓ **SAVE TIME & COOK HEALTHIER MEALS AT HOME** with the New Lifesmart 10-in-1 Air Grill. This 1700 Watt and 500° Fahrenheit indoor grill allows you to sear a steak, air fry, dehydrate, defrost, toast, grill, bake, rotisserie, roast, broil, preheat and warm food. Features an extra large 15.3 interior with top and bottom heating elements for perfect convection cooking.
- ✓ **INNOVATIVE AIR FRYER WITH BAMBOO SMART GRILL GRATE:** This state-of-the-art electric indoor grill features a non-stick granite bamboo charcoal grill grate to reach and maintain 500 degrees perfect for juicy steaks, burgers or chops. All the features of cast iron, but 75% lighter and easy to clean. Plus, the bamboo charcoal grill grate will ensure even heat distribution and is 100% microwave and dishwasher-safe.
- ✓ **STICK TO YOUR HEALTHY DIET:** The top and bottom double heating elements of our indoor grills allow for perfect convection cooking with hot air circulation. Cook healthy, mouth-watering food for your family, oil-free.
- ✓ **MAKE YOUR LIFE EASIER IN THE KITCHEN:** Our air fryer instant pot appliance has a digital panel with 8 preset modes, a large visible window, LED readout, timer and temp controls that take the fuss out of your cooking.
- ✓ **IMPRESS YOUR LOVED ONES WITH DELICIOUS MEALS:** With a spacious 15.3-quart stainless steel interior, our indoor electric grill can accommodate family-sized food quantities - and keep your recipes warm until you serve them on the table!

TRUEWASH FEATURES

OVERVIEW

MSRP: \$399

LIFESMART SKU: TW988

UPC#: TBA

HTS Code: TBA

Product Dimensions:

(L x W x H, Weight)

13.98" x 16.34" x 13.98"

11.70Lbs

- Great on Kitchen Countertops, Islands Prep Stations.
- Four auto pre-set modes:
 - Produce – Fruits / Vegetables
 - Dry Beans, Rice or Grains
 - Infant Bottles/Pacifiers/Small Toys
 - Eating Utensils / Handheld Electronic Devices
- Naturally kills up to 99.99% of germs and bacteria and significantly reduces the presence of pesticides using **germicidal UV light** and activated oxygen.
- Helps extend produce shelf life.
- Chemical free automated process
- Rotating basket exposes a gentle spray of **super activated water**, **germicidal UV light** and vapor which gets into all the crevasses without damaging produce, even delicate raspberries.
- Reduces water consumption utilizing only 32-40 fl oz of water per cleaning operation.
- Germicidal UV light reduces internalization of bacteria.
- Internal 6.5L basket – 9.9"W x 6.2"D
- Germicidal UV Light and Activated Oxygen used in the **TRUEWASH process** is FDA, USDA and USDA-ORGANIC **approved for food contact**.
- Only sanitizing appliance that takes 'eating clean' or 'keeping baby safe' to the next level.

About TRUEWASH

In today's world, and especially now, there is a need to bring clean and healthy living to the next level.

The TrueWash patented purification technology minimizes pesticides, germs and bacteria present on fruits, vegetables, baby toys, cell phones, and more by up to 99.9%.

The TrueWash system that was tested and proven combines water, vapor, UV light and activated oxygen that is FDA, USDA and USDA organic approved.

Germicidal UV light removes the internalization of bacteria within produce. This automated process helps extend produce shelf life.

Great on Kitchen Countertops, Islands Prep Stations.
